

if you were a reality
show contestant, what
would the show be
about, and who would you
be on it?

if you could get a
potentially regrettable
tattoo, but could
painlessly & flawlessly
remove it, what
would it be?

what's the weirdest
gift
you've ever received
and/or given?

what's a word or phrase
that you didn't fully know
the meaning of and used
in the wrong way?
